About the Administrator

BT Portfolio Services Ltd ABN 73 095 055 208 operates and administers Panorama, which is an investor directed portfolio service. In this Booklet, BT Portfolio Services Ltd is referred to as 'the Administrator', 'us' or 'we'. We issue this Booklet and the Investor Guide in Australia.

Role of BT Funds Management Limited

When you open an account in Panorama, we will open an account in BT Cash on your behalf ('your BT Cash Hub'). Your BT Cash Hub will be the transaction account for your account in Panorama. BT Cash is issued by BT Funds Management Limited ('BTFM') ABN 63 002 916 458. You should read the BT Cash Product Disclosure Statement ('BT Cash PDS') before investing in Panorama.

Role of Westpac Financial Services Ltd

Westpac Financial Services Ltd ('WFSL') ABN 20 000 241 127 is the responsible entity of BT Managed Portfolios ARSN 604 066 686, a managed investment scheme that may be available to you through Panorama. The BT Managed Portfolios Product Disclosure Statement ('BT Managed Portfolios PDS') contains important information about BT Managed Portfolios which you should consider before investing in that scheme through Panorama. Your adviser can give you further information on whether BT Managed Portfolios is available to you and provide you with the BT Managed Portfolios PDS.

The Administrator, BTFM and WFSL are subsidiaries of Westpac Banking Corporation ('Westpac') ABN 33 007 457 141. Westpac also provides the Westpac payment services connected to BT Cash as set out in the BT Cash PDS. Apart from any interest you may have in Westpac term deposit products or Westpac securities acquired through Panorama, an investment in, or acquired through, Panorama is not an investment in, deposit with or any other liability of Westpac or any other company in the Westpac Group. As with all investments, investments in Panorama are subject to investment risk, including possible delays in repayment of withdrawal proceeds and loss of income and principal invested. Neither Westpac nor any other company in the Westpac Group stands behind or otherwise guarantees the capital value or investment performance of your investment in Panorama.

Eligibility

Panorama is available only to investors who receive the Investor Guide in Australia, whether in hard copy or electronically. If you are outside Australia, you should obtain advice about any local restrictions that apply before investing in or transacting through Panorama and you must appoint an Australian resident attorney to act on your behalf.

You must have a relationship with the Distributor or an authorised adviser in order to start using Panorama. If the relationship ends, the terms and conditions applicable to your account may change, including that you may (but not necessarily will) be charged higher fees and the investment options available to you may change. Your Panorama account may, in some circumstances, be closed. Refer to 'What will happen if you no longer have an authorised adviser?' in the 'Communications' section of the Investor Guide for more information.

Applying for a Panorama account

Becoming an investor in Panorama

You become an investor in Panorama at the later of when we accept your application and when we receive the initial deposit into your account. We reserve the right to reject your application and/or your initial deposit.

Each person named as an account holder on an application for a Panorama account will need to approve the application online before it can be accepted and the account opened.

Transacting with your BT Cash Hub

When your Panorama account is opened, we will open your BT Cash Hub and hold it for you on trust as part of your account. Your BT Cash Hub facilitates many of the transactions that can be performed on your account.

When you deposit amounts into your account, the proceeds will be invested into your BT Cash Hub. When you request payments from your account, these will be withdrawn from your BT Cash Hub. Your BT Cash Hub is also used to settle your managed fund, BT Managed Portfolios, listed security or term deposit transactions.

You can request deposits and payments through the Panorama website or mobile application ('mobile app'). Please note that if your adviser submits deposit or payment requests on your behalf, your adviser can currently only submit these through the Panorama website.

Deposit and payment requests can be made at any time. However we may not be able to process some requests on the same business day if they are submitted after 5.00pm (Sydney time). Where a deposit or payment request is made after 5.00pm (Sydney time), it may be processed on the following business day.

For some of your deposits, such as cheques and direct debits from other accounts, there may be a clearance period of up to 3 business days before they are available in your account for you to access.

Payments from your account can be made as a one-off, a one-off scheduled for a future date or as a repeating payment.

In some circumstances, such as if BT Cash becomes illiquid or has withdrawal restrictions, it may take longer to process your payment requests.

Service interruptions

While we try to ensure our online services are available 24/7, there may be times when they're not available.

If our online services are not available, you may contact us during business hours on 1300 881 716 to discuss account information (however, we will not be able to perform transactions on your behalf).

If our online services aren't available, we are not responsible for any loss because you were unable to perform transactions during that time.

Document library

You and your adviser have access to a secure online document library which allows you to collaborate efficiently and provides easy access to important documentation.

Any documents can be categorised and saved into your online document library by you or your adviser, and intuitive filters and search functionality make it easy for you to locate documents.

All of your Panorama statements are automatically stored in your document library.

Customise your account functionality

Who can transact on your account

To provide maximum flexibility and convenience, you and your adviser can decide who can initiate cash transactions such as deposits and payments. You can give your adviser the authority to either:

- > transact only on your linked account(s), or
- > transact on any payee, biller and linked account saved online.

Your adviser's access is first set up during your account application and will need to be approved by you and any other account holders.

Your adviser can submit investment transactions online on your behalf. They can also manage your details – including keeping your address and contact details up to date. The exceptions to this are your email address and primary mobile phone number (the mobile phone number used for SMS security codes). This number and your email address cannot be changed by your adviser – only by you.

'Any to sign' transacting

Where there are multiple account holders (for example a joint account) or signatories (for example a company account) linked to your account, any one of them can transact (such as by making payments, adding billers or payees, requesting deposits or changing account contact details) without the permission of the other account holders or signatories.

Online and transaction security

You are responsible for the use and security of your online password. You must not disclose it to any other person including your adviser.

Features

We use your mobile phone number to help keep your account secure. Some transactions will require an SMS security code to be confirmed online before the request can be submitted. This occurs, for example, when you change your payment limits.

Updating your mobile number

If your mobile phone number changes please call us to change it, otherwise you will not be able to continue performing transactions.

Adding billers, payees and linked accounts

When you (and any other account holders or signatories) add billers, payees and linked accounts, their details can be saved online so they can be viewed and transacted on at a later date. Only you and other account holders or signatories can amend saved billers, payees and linked accounts.

Closing your account

You can close your account at any time by instructing your adviser or the Administrator in writing. Any investments you have must be sold, transferred, redeemed or broken by you through your adviser before you instruct us to close your account. However, there may be delays in closing your account if the underlying investments can't be sold or realised immediately (for example, the notice period applying to term deposits or where there are restrictions on withdrawals from a managed fund or BT Managed Portfolios). Please refer to the disclosure documents relating to your underlying investments for further information.

Once all your investments are redeemed or sold, your account balance (less any fees and costs) from your BT Cash Hub will usually be deposited into your primary linked account within 2 business days.

Closing your account may take up to 36 calendar days depending on the time it takes to receive the proceeds for all your investments. In exceptional circumstances, such as where an investment is illiquid or has withdrawal restrictions, it may take longer to close your account.

We will not charge a fee to close your account, however you are responsible for any costs, tax, transaction fees or stamp duty consequences of investing in or exiting Panorama. You are also responsible for applicable fees in respect of the investments in your Panorama account. You should refer to the disclosure documents for your underlying investments for further details about such fees and costs.

We reserve the right to close your account if an initial deposit is not received, or the account has been inactive and does not have a positive account balance.

Privacy Statement

Why we collect your personal information

We collect personal information from you so that we can provide you with products or services, and manage your products or services. We may also use your information to comply with legislative or regulatory requirements in any jurisdiction, prevent fraud, crime or other activity that may cause harm in relation to our products or services and to help us to run our business. If you do not provide all the information we request, we may no longer be able to provide a product or service to you.

How we collect your personal information

We may collect your information from many places including correspondence with you or your adviser, our telephone calls with you or you using our website, mobile app or emailing us. We may also collect your information from other members of the Westpac Group or from a service provider engaged to do something for us or another member of the Westpac Group. Our service providers typically include custodians, investment administrators, information technology advisers, mail-houses, auditors, legal advisers and consultants.

Disclosing your personal information

We may disclose your personal information to other members of the Westpac Group, anyone we engage to do something on our behalf such as a service provider, other organisations that assist us with our business and any person who acts on your behalf in relation to your investment (such as your adviser or accountant). We may disclose your personal information to an entity which is located outside Australia. Details of the countries where the overseas recipients are likely to be located are in the BT Privacy Policy. As a provider of financial services, we have obligations to disclose some personal information to government agencies and regulators in Australia, and in some cases offshore. We are not able to ensure that foreign government agencies or regulators will comply with Australian privacy laws, although they may have their own privacy laws. By using our products and services, you consent to these disclosures.

Other important information

We are required or authorised to collect personal information from you by certain laws. Details of these laws are in the BT Privacy Policy.

The BT Privacy Policy is available at bt.com.au or by calling 1300 881 716. It covers:

- > how you can access the personal information we hold about you and ask for it to be corrected;
- > how you may complain about a breach of the Australian Privacy Principles, or a registered privacy code and how we will deal with your complaint; and
- > more detail on how we collect, hold, use and disclose your personal information.

The BT Privacy Policy will be updated from time to time.

Additional information on investments

Your BT Cash Hub

Your account balance in your BT Cash Hub represents your interest in BT Cash. If you invest in BT Managed Portfolios, managed funds or listed securities, your BT Cash Hub has a minimum required balance of \$2,000. This is to ensure you have sufficient money available to cover costs such as fees, stamp duty, corporate actions and any other payments. Once the minimum required balance applies in respect of your account, it will continue to apply even if you no longer hold BT Managed Portfolios, managed funds or listed securities.

Generally, one-off investment transactions and withdrawals will not be processed if there are not enough funds available in your BT Cash Hub to maintain the minimum required balance in your BT Cash Hub. However, we may, in our discretion, settle certain transactions as described in clause 9 of the 'Terms and Conditions' section of this Booklet.

Commencing 1 May 2016, to help you meet your payments and maintain the minimum required balance, your investments will be sold down in accordance with one of two drawdown strategies. For further information, refer to 'Drawdown strategies' in the 'Additional information on investments' section and clause 6 of the 'Terms and Conditions' section of this Booklet.

Term deposits

Panorama offers a range of term deposits with a selection of rates and terms and a low minimum of \$5,000 per term deposit. Term deposits can be purchased by your adviser using your account balance in your BT Cash Hub. We will hold your term deposits on trust for you in your account.

Requests to invest in term deposits can be completed online by your adviser at any time. However, we may not be able to process the request on the same business day if it is submitted after 5.00pm (Sydney time). Where a request is made after 5.00pm (Sydney time), it may be processed on the following business day and will receive the rate and terms applicable on that day.

You should obtain and consider the applicable terms and conditions for the term deposit before making any investment decision. Early withdrawal of term deposits may result in a reduction in the rate applicable to your term deposit and/or a waiting period before your term deposit is paid to you. Refer to the relevant term deposit terms and conditions for more information.

We may, at our discretion, deal with your term deposits in certain circumstances as described in clause 6 of the 'Terms and Conditions' section of this Booklet.

Additional information on managed funds and BT Managed Portfolios¹

Quick guide to investing in managed funds and BT Managed Portfolios:

You should obtain a copy of the product disclosure statement for the investment option you wish to invest in. This will contain the relevant details you should consider before making a decision about whether to invest and includes fees and other relevant information.

- > The BT Managed Portfolios PDS is available, without charge, by contacting your adviser or by logging on at panorama.com.au.
- > The product disclosure statements for the managed funds available to you through Panorama, can be obtained, without charge, by contacting your adviser.

Read the relevant product disclosure statement carefully before deciding to invest. Once you've selected your investment option/s, speak with your adviser who can instruct the Administrator to invest in BT Managed Portfolios or a selected managed fund on your behalf.

How to invest in and withdraw from managed funds and BT Managed Portfolios

Your adviser can provide your instructions to us to apply to invest in or withdraw from a managed fund or BT Managed Portfolios online at panorama.com.au. If we receive a completed and valid transaction instruction (for either an investment or withdrawal):

- > for BT Managed Portfolios – before 10.00am (Sydney time) on any business day, your instruction will generally be processed on the same business day.
- > for a managed fund – before 11.00am (Sydney time) on any business day, your instruction will generally be placed with the fund manager on the same business day.

The time it then takes the responsible entity of the managed fund or BT Managed Portfolios to process your transaction, and the price at which your transactions are processed, will vary depending on:

- > the administration requirements of the relevant manager, and
- > market liquidity and volatility of the underlying assets in a managed fund or managed portfolio option.

¹ BT Managed Portfolios may not be available to every investor. Your adviser can provide you a list of the investments available to you.

Your adviser may place instructions to apply to withdraw only a part of your investment in a managed fund or managed portfolio. However, instructions to withdraw more than 90% but less than 100% of the total value of a managed portfolio or managed fund will result in you needing to close the managed portfolio or managed fund investment, or reduce the requested withdrawal amount to below 90% of the current value of the managed portfolio or your interest in the managed fund.

A later instruction may not be processed by us until the transactions to implement the earlier instruction have been completed.

There may be delays in applying for or withdrawing from a managed fund or managed portfolio investment - for example, if a managed fund or managed portfolio is suspended or there are delays in selling some assets. For further information, refer to the relevant product disclosure statement.

The Administrator does not accept any responsibility or liability for any movement in asset prices or costs as they relate to any delay in investing or withdrawing from a managed fund or BT Managed Portfolios and makes no representation on the suitability of those investments either generally or in your particular personal circumstances.

Distribution reinvestments

Any distributions you receive in respect of a managed fund will be paid in cash into your BT Cash Hub when we receive them from the relevant fund manager. Where your adviser on your behalf has nominated for your distributions in respect of a managed fund to be used to acquire new units in that managed fund (in circumstances where the Administrator chooses to allow it), the cash will be reinvested in the relevant managed fund generally on the same business day or the following business day after the distributions are paid to your BT Cash Hub. The unit price at which distributions are reinvested may differ from the price that would apply if you participated directly in the fund manager's distribution reinvestment plan. The Administrator will apply the most recent nominated distribution option for a fund prior to a cut-off date determined by the Administrator. This cut-off date will be prior to the distribution date for the relevant fund in order to allow time for the processing of your nomination. If you change your nomination after the cut-off date the new nomination will only take effect for future distributions.

Where you have nominated for your distributions to be reinvested, any distributions in respect of units you acquire after the cut-off date will not be eligible for reinvestment and will be kept as cash in your BT Cash Hub. Please note, the nomination will apply to all future distribution payments and your next distribution payment will therefore be reinvested.

Please also note if you don't provide us your Tax File Number ("TFN") or if you are a non-resident for tax purposes, your distributions will be paid into your BT Cash Hub, less any applicable withholding tax, and you will not be able to reinvest your distributions.

Regular investment plans

Our regular investment plan allows you to make automated regular investments into your existing managed funds or BT Managed Portfolios from your BT Cash Hub.

Your regular investment plan commencement date must be a future business day and it will generally be processed on that business day. If your regular investment plan scheduled transaction falls on a non-business day, the Administrator will generally process your plan on the next business day.

If you decide to fully withdraw from a managed fund or managed portfolio option, the regular investment in respect of that particular investment will cease until you subsequently choose to invest in that managed fund or managed portfolio, at which time the regular investment will automatically recommence (unless you cancel it). While there are still current holdings in other assets that form part of the plan, the plan will continue to invest in those assets.

If a direct debit is used to fund part or all of a regular investment plan and the direct debit fails, your regular investment plan will also fail. Where a regular investment plan is not funded by a direct debit and there are insufficient funds in your BT Cash Hub, your regular investment plan will fail. It will recommence at the next date for regular investment provided there are sufficient funds in your BT Cash Hub.

There may be delays in applying for a managed portfolio option or managed fund investment as part of a regular investment plan (for example, if a managed fund or managed portfolio option is suspended or there are delays in purchasing some assets). If a particular asset within a regular investment plan is unable to be acquired, the other assets within the plan will be acquired as normal and the remaining cash will remain in the BT Cash Hub balance. The cash will not be reallocated to other assets.

To the extent that a managed fund or managed portfolio option suspends applications, regular investment plans in respect of the fund or managed portfolio option will also be suspended and not be completed. The regular investment plan will continue automatically once applications in the relevant fund reopen. However, if you no longer wish to participate in a regular investment plan in respect of this fund, you should instruct your adviser to remove the fund from your plan.

Additional information on investments

If a direct debit is utilised to fund a regular investment plan and assets are no longer tradeable within the plan, the direct debit will continue to be processed for the entire plan (i.e. including the non-tradeable assets) until cancelled by your adviser on your behalf. Further, if assets which form part of the plan have been sold and no holdings remain, the direct debit will also continue to be processed for the entire plan until cancelled by your adviser on your behalf. In both cases, the funds which would have otherwise been invested in those assets will instead be available in your BT Cash Hub for other purposes.

Suspended managed funds or BT Managed Portfolios

A managed investment scheme suspension occurs when the responsible entity of a managed fund or BT Managed Portfolios suspends one or more of the following:

- > applications, or
- > withdrawals.

There are various reasons why a responsible entity of a managed fund or BT Managed Portfolios may suspend applications or withdrawals, including, for example, if:

- > the fund is no longer liquid within the meaning of the *Corporations Act 2001* (Cth) ('Corporations Act'). The responsible entity is prohibited from allowing withdrawals from the fund unless it is in accordance with a withdrawal offer;
- > the responsible entity determines that a suspension is necessary to protect the value of the assets in the fund from being devalued due to a large quantity of withdrawals from the fund; or
- > the responsible entity determines that a suspension is otherwise necessary to comply with its obligations to act in the best interests of members.

Where the application of a drawdown strategy from 1 May 2016 would involve the disposal of a suspended managed fund or managed portfolio option, the drawdown strategy will not apply to that suspended asset, and the next asset will be sold or cancelled in the order of the applicable drawdown strategy (see clause 6 of the 'Terms and Conditions' section of this Booklet).

Withdrawals from suspended managed funds or BT Managed Portfolios may be allowed from time to time during withdrawal windows declared by the responsible entity of the suspended managed fund or BT Managed Portfolios. We will notify your adviser if a fund manager notifies us of an upcoming withdrawal window for a suspended managed fund or BT Managed Portfolios you hold. Your adviser will then be able to place a withdrawal request for you during the withdrawal window dates. If the total amount of withdrawal requests for the suspended managed fund or BT Managed Portfolios

exceeds the amount available for that particular scheme, requests may be met on a pro rata basis by the relevant responsible entity. Each withdrawal window has different conditions that will be communicated to your adviser.

We will automatically participate in withdrawal offers on your behalf if you have requested to close your account but continue to hold a suspended managed fund or BT Managed Portfolios within your account. Note that unless you instruct us otherwise, all amounts received in respect of the suspended managed fund or BT Managed Portfolios (including distributions) will be retained within your BT Cash Hub until we are able to realise the full amount of your investment in that particular scheme.

Managed fund fee rebates

In some cases, a fund manager may provide a partial rebate of the investment costs for the managed funds you invest in to the Administrator. Any rebate the Administrator passes on to you will be paid into your BT Cash Hub or applied to reduce the Administration Fee deducted from your BT Cash Hub.

In general, your entitlement to the rebate will be based on your holding of the managed fund at the payment date of the rebate. However where you instruct us to close your Panorama account prior to the processing by the Administrator of a rebate, you will not be entitled to that rebate.

Investing in listed securities

Quick guide to investing in listed securities:

Investing in listed securities with Panorama is straightforward.

- > Your adviser can instruct the Administrator to invest in listed securities on your behalf.
- > The Administrator will provide your adviser with transaction confirmations once the transaction is complete.

Trading in listed securities

When you provide us, through your adviser, with an instruction to buy or sell listed securities, you can set a limit on the price at which you are willing to buy or sell or you can accept the market price at the time the broker we appoint executes your instruction. Once your trade occurs, it will be settled using funds from your BT Cash Hub.

Where there is insufficient cash available in your BT Cash Hub to place your buy order (taking into account your BT Cash Hub balance and any unsettled listed securities sell orders) your order may be 'queued'.

Additional information on investments

Queuing is the process that allows listed security buy orders to be 'queued' by Panorama until sufficient cash becomes available (as a result of the sell orders being executed in the market or other funds becoming available). Once sufficient funds become available, buy orders will be processed by us and submitted to the broker.

If sufficient funds are not available at the end of the trading day, any queued orders will be cancelled and we will notify your adviser.

If you buy a listed security, from the point at which the order is executed (and prior to settlement date), it can be sold in the market.

If your adviser, on your behalf, provides an instruction outside of market hours:

- > 'limit' price orders will be processed by us and sent to the broker when the market opens.
- > instructions in respect of 'market' orders cannot be placed out of market trading hours and will be rejected.

Your adviser will be asked to specify whether the instruction is 'Good for day' or 'Good till cancel'. 'Good for day' orders will expire at the end of the trading day. 'Good till cancel' orders will expire 30 calendar days from when the order is first submitted to market. If the expiry date falls on a non-trading day the order will expire on the following trading day.

Your orders are vetted by the broker we appoint and in some instances may be rejected (for example, if they breach or may breach market vetting rules).

We may set a maximum individual order size in respect of each instruction placed online by your adviser. If a maximum is set, orders over this size will be rejected and your adviser will be notified. Your adviser can either split your order into smaller parcels or contact us on 1300 881 716. In this case and other instances where the order is rejected, your adviser may request that the order be 'managed by the broker' and a higher transaction fee will apply to the instruction. Refer to the 'Additional explanation of fees and costs' section of the Investor Guide for more information.

Your adviser may on your behalf, cancel or amend any listed security instructions which have not been executed between the hours of 7am and 7pm Sydney time. Outside of these hours we are unable to process order amendments or cancellations.

The length of time it takes for a transaction to be executed will depend on market conditions. In some cases, an order may not be filled (or completely filled) and may be rejected by the broker to the extent it is not completely filled. Any filled order will be settled according to the market settlement rules and market practice.

We will notify your adviser if:

- > your request to amend or cancel an instruction has been rejected.
- > a queued buy instruction has expired.
- > the broker rejects or cancels an order.

Broker

We are not a market or clearing participant of the ASX or a broker. Accordingly, we have arranged the broker to provide a broking service in relation to your instructions to buy or sell listed securities. When your adviser enters your instructions relating to listed security transactions over the Panorama website, you authorise and instruct us to instruct the broker to execute those instructions in respect of the listed securities that are (or which will be) held in custody for us by the sub-custodian (we in turn hold the beneficial interest in those securities on your behalf). These transactions will be reflected in your Panorama account.

Our agreement with the broker, and the broker's obligations as a market participant, require the broker to endeavour to provide the best execution for these instructions. As the trading agreement is between us and the broker, the broker will not act on any instructions it receives directly from you in relation to the listed securities held in connection with your Panorama account.

We may, as the client of the broker, be entitled to make a claim against the National Guarantee Fund under Part 7.5 of the Corporations Act if the broker becomes insolvent, makes an unauthorised transfer, or defaults on its obligations to settle a transaction. In general terms, the National Guarantee Fund is a compensation fund that may be available to guarantee the completion of certain failed sales and purchases of ASX listed securities, provided the transaction is a 'reportable transaction' entered into by a 'dealer' on behalf of a client (each as defined in the Corporations Act). Under the Corporations Act, if a person is entitled to claim, they must generally serve a written claim on the Securities Exchange Guarantee Corporation within six months after the day on which the person first became entitled to make the claim. If the Administrator makes a claim, it will pass on to you the benefit of any such entitlement or claim, net of any costs incurred in making that claim.

Online corporate actions

Panorama will allow your adviser, on your behalf, to provide us instructions in respect of certain corporate actions online. On the Panorama website, your adviser can view corporate actions, make elections and see the status of any corporate actions related to your account.

Making a corporate action election

- > We may notify your adviser of any upcoming corporate actions requiring an election online or by email. You won't receive communications from share registries. It is your adviser's responsibility to pass details of those corporate actions on to you. You can then direct your adviser to instruct us in respect of the corporate action.

Additional information on investments

- > Your adviser will need to provide instructions online prior to the 'Panorama close date'. The Panorama close date will be specified in the notice provided to your adviser, but is generally 2 business days before the relevant registry close date. Your adviser can change your election at any time before the Panorama close date.
- > On the Panorama close date, we'll instruct the sub-custodian to execute the corporate action in accordance with your instruction.
- > If a corporate action requires a cash payment (for example a rights offer or share purchase plan), we reserve the cash in your BT Cash Hub for the corporate action when your instruction is submitted, so that it can't be used for other purposes. The cash can be unreserved only to the extent the election is changed prior to the Panorama close date. If there is insufficient cash in your BT Cash Hub to participate in the event, we will not process your instruction.
- > Your entitlement on a corporate action may be rounded up or down to the nearest whole number of securities.

In some circumstances, we may not allow you to make elections to participate in all corporate actions available in respect of your listed securities. In addition, if we do facilitate your participation in corporate actions, we may place limitations around your ability to do so.

Drawdown strategies

Commencing 1 May 2016, in order to ensure that you can meet any fees or costs payable to us, fees you have directed us to pay on your behalf (such as adviser fees), payments you have scheduled, or to maintain the minimum required balance in your BT Cash Hub, you instruct us to apply an automated drawdown strategy to your account. Prior to 1 May 2016, we will not initiate a drawdown in relation to your account in these circumstances. A drawdown strategy describes the order and manner in which your investments will be sold to generate sufficient cash to be able to fund the payments due or maintain the minimum required balance.

There are two automated drawdown strategies that will be available through Panorama from 1 May 2016:

> **A drawdown from the highest value asset in your account**

We will sell your managed fund investments first, (other than BT Managed Portfolios), starting with the highest value holding and continuing in order of decreasing value. If you hold BT Managed Portfolios but no other managed funds, managed portfolio investments will be sold first, starting with the managed portfolio option with the highest value and continuing in order of decreasing value. If you do not hold managed funds or BT Managed Portfolios, listed

securities will be sold, starting with the highest value holding and continuing in order of decreasing value.

> **A pro rata drawdown of your assets across your investment options**

We will sell managed fund investments (other than BT Managed Portfolios) first, in the proportion that each managed fund investment bears to the total value of all your managed fund investments in your account. If you hold BT Managed Portfolios but no other managed funds, managed portfolio options will be sold first in the proportion that each managed portfolio bears to the total value of all managed portfolios held for you. If you do not hold managed funds or BT Managed Portfolios, listed securities will be sold in the proportion that each listed security bears to the total value of all listed securities in your account.

The 'highest value asset' drawdown strategy is the default and you instruct us to apply this to your account where a minimum BT Cash Hub balance applies. If you would like the 'pro rata' drawdown strategy to apply to your account, you must instruct us through your adviser.

Term deposits will not be sold down as part of either automated drawdown strategy.

However, we may in some circumstances, cancel your term deposits (for example, to meet any outstanding fees). It will generally take 31 days to cancel a term deposit and any amounts owed by you will continue to accrue until funds become available. You should refer to the terms and conditions of the relevant term deposit for information on how cancellation costs are calculated. For more information on when we may sell your assets and/or cancel your term deposits, refer to Clause 6 of the 'Terms and Conditions' section of this Booklet.

Please note that you are responsible for any taxes that may arise as a result of a drawdown of your investments, and should consider this in maintaining the minimum required balance in your BT Cash Hub and in deciding your drawdown strategy. You should consult your tax and/or financial adviser.

For more information on the drawdown strategies and other circumstances where we may sell your investments without seeking further instructions, see the 'Terms and Conditions' section of this Booklet.

Additional information on investments

Asset Transfers

The process for transferring an investment that you currently hold outside of Panorama into your Panorama account will vary depending on the investment. Generally there are no capital gains tax consequences when transfers are made between the same beneficial owner, however, we recommend you seek professional advice on the tax implications of transferring into Panorama.

Stamp duty may be payable on certain asset transfers. Where applicable, any stamp duty that is payable in respect of transfers to Panorama will be deducted from your BT Cash Hub which is part of your Panorama account.

In some circumstances we will facilitate the transfer of assets under a Limited Power of Attorney granted by you. This allows us to take care of the required paperwork on your behalf.

An online asset transfer tool is available on Panorama to help your adviser initiate the transfer of managed funds and listed securities into your account.

If your managed funds and listed securities are not on the list of investments available to you through Panorama, your adviser may not be able to transfer these assets on your behalf.

BT Managed Portfolios

You may be able to transfer existing managed funds or listed securities into your managed portfolio if those assets form part of the managed portfolio option you have selected. You will need to complete the relevant transfer forms and, if you are transferring listed securities, provide a holding statement to show us where your listed securities are currently held. Your adviser will generally need to provide a full tax history for your investments on your behalf.

Assets that are transferred in-specie in this way must relate to a single managed portfolio option, and can't be transferred across multiple managed portfolio options. Refer to the BT Managed Portfolios PDS for further details.

Managed funds

If you already have direct investments in any of the managed funds available to you through Panorama, you may be able to transfer them to your account in Panorama. You will need to complete the relevant transfer forms and your adviser will generally need to provide a full tax history for your investments on your behalf.

Any distribution reinvestment option previously elected will no longer apply once assets are transferred to Panorama. We recommend amending your distribution option to cash prior to requesting a transfer to ensure there are no residual units paid to you after the transfer occurs. Any managed fund distributions you are entitled to will be paid into your BT Cash Hub.

Listed securities

If you already hold listed securities outside Panorama, you may be able to transfer them into your account in Panorama. You will need to complete the relevant transfer forms and a holding statement to show us where your listed securities are currently held. Your adviser will generally need to provide a full tax history for your investments on your behalf.

Transferring out

At your request, we can transfer assets out of your account to you or to another platform. Some assets, for example wholesale managed funds, may not be able to be held in your own right, in this case we will not be able to complete the transfer. Your financial adviser can provide more information.

We do not charge a fee for this but you will be responsible for any fees charged by other parties, stamp duty or tax consequences of the transfer.

Features available to SMSF investors

If you are investing in Panorama as trustee of an SMSF (referred to in this Booklet as a 'SMSF account'), you will have access to the additional features outlined in this section.

Accountant access

Panorama makes it easier for you to manage your SMSF and collaborate with your adviser and your accountant. Your adviser can give your accountant access to your Panorama SMSF account. This will provide them with a consolidated view of your Panorama investments and external assets (see below), increasing efficiency and improving their collaborative experience and potentially the value they can add to you.

You may instruct your adviser to remove your accountant's access at any time.

External assets

You have the ability to access a holistic view of your SMSF assets on panorama.com.au by being able to view information about your externally held SMSF assets alongside your Panorama account.

Your adviser is able to capture external assets to report through panorama.com.au in one of two ways:

1. Manual entry – Your adviser can manually enter information about your SMSF assets you hold externally. If an SMSF asset is also available as an investment option on Panorama (for example, an ASX listed security) then for reporting purposes we will use the value for the assets, at any particular time, that we would use if it had been acquired through Panorama. If an asset is not available as an investment option on Panorama (for example, real property) your adviser will need to enter and maintain the asset's value. Manual entry is not available if you are a Panorama SMSF Administration Service client.
2. Accounting software data feed - Once your accountant has been given access to your SMSF account, your adviser can request to connect to the accountant's accounting software to automatically feed external asset data information if your accountant agrees and that software is supported by the Administrator, unless you are a Panorama SMSF Administration Service client. In this case, we will automatically feed external asset data from the Panorama SMSF Administration Service. Accounting software feeds can be turned off at any time by either your adviser, your accountant or by the Administrator, unless you are a Panorama SMSF Administration client.

Only one source of external asset information can be used for your SMSF account at any one time (for

example, your adviser cannot enter information manually if an accounting software data feed has been authorised).

For historic portfolio valuation and asset allocation reports, assets held externally to Panorama will only show from the date they were first entered in Panorama.

Document library

While document library is available to all investors in Panorama, there are specific features from which SMSF accounts may gain the most benefit.

With document library, you, your adviser and your accountant have access to a shared secure online document library which allows you to collaborate efficiently and can give you greater visibility of important SMSF documentation. Other SMSF specific features include:

- > The ability to flag documents for audit purposes – which will help streamline the audit
- > Specific SMSF document categories for easy reference and document location
- > the ability for your accountant (if you have appointed one) to upload documents to the document library.

You, your adviser and accountant can upload documents, allocate the documents to various document categories and see who uploaded each document.

Categorise contributions and payments

Your adviser will be able to categorise cash deposit transactions in your BT Cash Hub as contributions. Your adviser can allocate deposits to the applicable contribution type/s and member/s for each contribution amount online at panorama.com.au so that tracking contributions in respect of each member is easier.

Your adviser can also categorise payments out of your BT Cash Hub. A selection of categories is available to track payments including pension payments.

If your adviser takes advantage of this functionality, the following reports will be available to you to access:

- > Pensions report - summarising payments by member where they have been categorised as pension payments.
- > Contributions report - summarising contributions by contribution type and member.

You and your adviser are responsible for ensuring this information is correct and complete.

Additional information on fees

Listed security transaction fee

The Administrator may receive up to 100% of the transaction fee charged for listed security transactions placed with the broker, or may pay a portion of this fee to the broker.

Listed security transaction fees are an additional cost to you.

If a 'Good till cancel' order trades over multiple days, the minimum fee of \$12.50 will be charged for each day.

Taxes and Goods and Services Tax ('GST')

Information regarding some taxes relevant to your Panorama account is set out in the 'Additional information on tax' section of this Booklet.

Except where otherwise stated, all fees in this Booklet are expressed as inclusive of any GST and are net of any reduced input tax credits ('RITCs'), which may be claimed¹.

Waivers of fees and costs

Generally, the amounts of the fees and costs that will apply to your Panorama account will be as disclosed in the Investor Guide unless the Administrator gives you 30 days' notice of any increase or introduction of fees.

The Administrator may, at its discretion, either generally or on request from you, your adviser or their dealer group, reduce or waive any of the fees and costs that apply to your Panorama account. Generally, any such waiver or reduction of fees and costs will cease to apply at the discretion of the Administrator, at which time those fees and costs will revert to the standard level without notice to you. However, where a waiver of fees and costs has been negotiated with your adviser or their dealer group, and you continue to be advised by them, those fees and costs will only revert to the standard level on 30 days' notice if the waiver or reduction ceases to apply.

Fees on borrowed amounts

Percentage based advice fees are not permitted to be charged on borrowed amounts after 1 July 2013. Please speak to your adviser if you are utilising borrowed monies to invest through Panorama, and you have any questions in relation to how adviser fees are calculated or charged.

Platform service fees and other payments

As at the date of this Booklet, the Administrator may, subject to law, receive service fees or other payments of up to \$21,000 pa per responsible entity or per fund manager (which are subject to annual review and may increase by up to \$500 pa) plus up to \$8,400 pa per managed fund (which are subject to annual review and may increase by up to \$200 pa) from responsible entities and/or fund managers whose funds are available through Panorama. The fees quoted are exclusive of GST.

The amount of these payments may change from time to time and are paid by the responsible entities and/or fund managers out of their own resources and are not paid by you.

Related party investment arrangements and transactions

The Administrator and other members of the Westpac Group receive payments from third parties in connection with Panorama. Some of the investments available through Panorama are issued by Westpac Group companies and they receive fees for doing so. Members of the Westpac Group may also hold on deposit the monies of your BT Cash Hub on a daily basis and may perform other services in relation to assets (such as underwriting their issue). Related parties will receive fees for services they provide.

Register of alternative forms of remuneration

The Administrator maintains a register that records details of the non-monetary benefits of small value that it receives (including such benefits from providers of some of the products that are available through Panorama). The register is available for inspection by you and you can obtain a copy by contacting the Administrator on 1300 881 716.

¹ Refer to 'GST' in the 'Additional information on tax' section of this Booklet for further information.

Additional information on tax

This section gives you information relating to your TFN, non-resident withholding tax, GST and our reporting obligations for US citizens. You should obtain independent tax advice before investing.

TFNs

We are authorised to collect TFNs under tax law and the *Privacy Act 1998* (Cth). Those laws also regulate how we may use your TFN or disclose it to others. You do not have to give us your TFN, but if you don't, we may be required to take tax out of income earned on your investments, including your BT Cash Hub, managed funds, term deposits, listed securities and assets held through BT Managed Portfolios at the highest marginal tax rate plus the Medicare levy. (You may be able to claim an exemption – contact the Australian Taxation Office ('ATO') or your tax adviser for more information). By quoting your TFN, you authorise us to apply it for your account and the investments acquired for you. You authorise us to disclose information to the ATO as we consider necessary to process instructions. For more information about the use of TFNs, please contact the ATO.

Australian companies and other entities that invest with us for business purposes can supply us with their ABN instead of their TFN.

Non-residents

If you are not an Australian resident for tax purposes, then interest and income distributions that are paid to you from an Australian source may be subject to withholding tax. You are also subject to the tax laws in your country of residence.

Changes in residency

If you change from being a non-resident to becoming an Australian resident or vice versa, it is important that you notify us immediately as special tax rules apply in cases of becoming or ceasing to be an Australian resident. Changes to your residency status may give rise to tax consequences.

GST

You agree that:

- > We will apply any RITCs we receive to complete payment of the total GST inclusive amount of fees that apply to your Panorama account where applicable.
- > When capitalising your investments for tax calculation purposes, the Administrator will take into account RITCs on transaction fees relating to managed portfolio and listed securities transactions.
- > We will make tax invoices available for services provided by your adviser (or their licensee), so that you may claim any input tax credits to which you may be entitled for those services.

In the event of any change in tax laws or their interpretation which affects the rate of GST payable or the RITCs that we may receive, the amounts deducted from your account in respect of applicable fees and costs may be varied or adjusted to reflect such changes without your consent or further notice to you.

Our U.S disclosure requirements

If you invest in listed securities that derive income in the United States of America ('US'), the US Internal Revenue Service requires documentation from the beneficial owner to ensure that the appropriate level of withholding tax is deducted.

Investors who are non-resident of the US for tax purposes are subject to a maximum withholding tax rate of 30% on income they derive from US sources. Where the W-8BEN form is completed in full by the beneficial owner, a withholding tax of 15% may apply in accordance with the Australia/US Double Tax Agreement.

A W-8BEN form is made available on our website for the beneficial owners of these securities to complete.

Our reporting obligations for US citizens

We are required to identify certain US persons in order to meet account information reporting requirements under local and international laws.

If you or (where you are an entity) any office bearer¹ of the entity and/or any individual who holds an interest in the entity of more than 25% (a 'Controlling Person') are a US citizen or US tax resident, you must telephone 1300 725 863 at the time of approving your account application. When you contact us you will be asked to provide additional information about your US tax status and/or the US tax status of any Controlling Person which will constitute certification of US tax status for the purposes of your account application.

Unless you notify us that you and/or any Controlling Person are a US citizen or US tax resident as specified above, approving your account application constitutes certification that you and/or any Controlling Person are not a US citizen or US tax resident.

If at any time after account opening, information in our possession suggests that you and/or any Controlling Person may be a US citizen or US tax resident, you may be contacted to provide further information on your US tax status and/or the US tax status of any Controlling Person. Failure to respond may lead to certain reporting requirements applying to the account.

¹ Director of a company, partner in a partnership, trustee of a trust, chairman, secretary or treasurer of an association or co-operative.

Anti-Money Laundering, Counter-Terrorism Financing and Sanctions obligations

We are bound by laws about the prevention of money laundering and the financing of terrorism as well as sanctions obligations, including the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006* ('AML/CTF laws').

By approving your account application you agree that:

- > we are required to carry out procedures that verify your identity before providing services to you, and from time to time thereafter;
- > you are not applying for an investment in Panorama under an assumed name;
- > any money you invest is not derived from or related to any criminal activities;
- > any proceeds will not be used in relation to any criminal activities;
- > you will not initiate, engage in or effect a transaction that may be in breach of AML/CTF laws or sanctions;
- > if we ask, you will provide us with any additional information we may reasonably require for the purposes of AML/CTF laws or sanctions. This could include information about you, your estate, about anyone acting on your behalf, or a holder of a beneficial interest in the investment, or the source of funds used in connection with the investment;
- > we may obtain information about you, your estate, anyone acting on your behalf, a holder of a beneficial interest in the investment or the source of funds used in connection with the investment from third parties if we believe this is necessary to comply with AML/CTF laws or sanctions;
- > in order to comply with AML/CTF laws and sanctions, we may be required to take action, including delaying or refusing the processing of any application or any transaction related to your account if we believe or suspect that the application or transaction may breach any obligation of, or cause us to commit or participate in an offence under any AML/CTF laws or sanctions. We will not incur any liability in doing so; and
- > where legally obliged to do so, we may disclose the information gathered to regulatory and/or law enforcement agencies or other entities. We may share this information with other members of the Westpac Group.

Other important information

Making investment decisions

All investment decisions must take place in Australia and if you are going overseas for any period of time, a Power of Attorney in Australia must be appointed to consult with your financial adviser to make investment decisions on your behalf.

When we may not act on your instructions

You should note that in exceptional circumstances we are not required to, and may not, act on your instructions. For more detail on the kinds of circumstances in which we are not required to act on your instructions, please refer to clause 4 of the 'Terms and Conditions' section of this Booklet.

When we may sell your investments without seeking further instructions

There are a number of circumstances in which we may sell investments in your portfolio in accordance with your standing instructions that you agree not to vary. Those circumstances are specified in clause 6 of the 'Terms and Conditions' section of this Booklet.

Participation in legal proceedings

The Administrator is under no obligation to institute, defend or otherwise participate in legal proceedings (including class actions) on your behalf. If you have an investment affected by such proceedings, the Administrator may (but is not obliged to) notify you and, where possible, permit your investments to be transferred to you on request, to be held by you directly. Once you have direct ownership, you may then be able to participate in such proceedings as the registered holder. However, the Administrator recommends that you seek independent legal advice should you wish to do so.

If you already hold affected investments directly, you may receive notice of any such proceedings directly and can choose whether or not to participate.

Manner in which your investments are held through Panorama

For all investments other than listed securities (that is, for BT Cash, term deposits, BT Managed Portfolios and managed funds), your investments are held in our name, as custodian. We are therefore the legal owner of these investments, and will hold the assets on trust for you, meaning you retain beneficial ownership of the investments. In relation to listed securities, we have appointed the sub-custodian to hold the assets. The sub-custodian will hold those assets on trust for us – that is, the sub-custodian will hold the legal title to the assets for us, and we in turn will hold the beneficial interest in those assets for you.

You may make a written request to the Administrator for a statement acknowledging the manner in which your investments are held through Panorama.

Terms and Conditions

1. Your contract with us

By approving **your account** application, you offer to enter into a contract with BT Portfolio Services Ltd ABN 73 095 055 208 ('us', 'we'). That contract is formed when we accept **your account** application. We refer to that contract in these Terms and Conditions as **your contract with us**.

The terms of **your contract with us** comprise the terms and conditions:

- > in **your account** application (which for the purposes of the **Nominee Deed**, is the 'Investor Registration Form')
- > in the **Nominee Deed**, and
- > in these Terms and Conditions.

The **Nominee Deed** is the trust deed for **Panorama**. It includes terms dealing with our rights and obligations in relation to holding and dealing with your assets as custodian, the limitations on our liability, our right to be indemnified for liabilities incurred, and termination of **Panorama**. A copy of the **Nominee Deed** is available from us free of charge on request.

We may vary the **Nominee Deed** in accordance with the procedure set out in the **Nominee Deed** and we may vary these Terms and Conditions in accordance with clause 14. **Your contract with us** at any time comprises the latest version of those documents.

Words and phrases in these Terms and Conditions that have a special meaning are written **like this** and their meaning is explained in clause 19 of these Terms and Conditions.

2. Your responsibilities

Unless otherwise specified in the terms and conditions relating to an investment accessible through **Panorama**, you are responsible for all investment decisions and for monitoring any investments held through **your account**.

You indemnify us, the **Bank**, our officers and our agents against (and therefore you must pay us for) all damages, liabilities, fees, costs and expenses (including legal costs on a

full indemnity basis) incurred arising out of or in connection with:

- > acts or omissions of the **Distributor** or its agents (unless the **Distributor** is BTFM)
- > us properly acting under **your contract with us** including by acting or not acting on **your instructions**
- > any act or omission of you, **your adviser**, **your accountant** or any other agent of yours
- > your use of the **services**, or
- > fees and costs incurred by us properly acting under **your contract with us**.

You also release us, the **Bank**, our officers and our agents from all claims, actions and proceedings relating to those matters.

Each release and each indemnity in relation to each of the matters set out in the points above operates separately and independently and is not exclusive of any other remedy available at law. The indemnities and releases are given only to the extent permitted by law. These indemnities and releases are continuing obligations and survive termination of **your contract with us**.

We hold the benefit of your releases and indemnities in favour of the **Bank** and our officers and agents on trust for those persons and may enforce them on their behalf.

3. How can you give us instructions?

Online

You are able to give us instructions relating to **your account**, such as instructions to add a new linked account, biller or payee, or to make a payment, via the **Panorama Website**. You can also give us certain instructions relating to **your account**, such as to make a payment, via the **mobile app**. Instructions in relation to term deposits, **BT Managed Portfolios**, managed funds and listed securities must be provided through **your adviser** via the **Panorama Website**.

Through your adviser

You are able to give us instructions relating to **your account**, (for example investment or withdrawal instructions and to make payments to linked payees and billers) through **your adviser** who will act as your agent. When you instruct **your adviser** to do something, they will give us those instructions as if you had given them to us directly.

You also appoint **your adviser** to receive information and reports on your behalf (including information and reports we are required by law to give to you).

You consent to **your adviser** being able to view **your account** and have access to information about **your account** and the **external assets**.

You consent to and authorise **your adviser** as your agent to appoint an accountant to be linked to **your account** and to the accountant being able to view **your account**, have access to information about **your account** and the **external assets** and upload documents to the **document library**.

4. When will your instructions not be acted on?

We will generally act on **your instructions** to withdraw from an investment within 2 business days of receiving them.

We are not required to act on **your instructions** in exceptional circumstances, such as:

- > if you provide more than one instruction and there are not sufficient cleared funds available in **your BT Cash Hub** to process all of them, we can choose which ones are acted on (in whole or part)
- > if there are not sufficient cleared funds available in **your BT Cash Hub** to implement **your instructions** to implement a **corporate action** or pay for purchases (while maintaining the **minimum balance**), or in the case of a withdrawal from an asset, sufficient assets to give effect to the withdrawal

Terms and Conditions

- > when acting would be against the law or contrary to **your contract with us**
- > when we are not reasonably satisfied that all necessary documentation has been received, is not defective and is properly completed
- > where the person acting on the instructions cannot act or believes that the instruction is not genuine or properly given (although we do not enquire as to whether this is the case)
- > if **your adviser** or the **Distributor** breaches their participation conditions or is considered unacceptable by us or any Westpac Group company
- > if the meaning of **your instructions** is uncertain or not in an acceptable form, or the person acting on **your instructions** is not indemnified for any damages, liabilities, fees, costs and expenses (including legal costs on a full indemnity basis) which may be incurred by acting on them, or
- > if you are in default of **your contract with us** or it is terminated.

5. Your specific instructions

You authorise and instruct us to:

- > (general) take any other action in relation to **your account** that may be necessary or desirable for operating **your account** as contemplated by the **Investor Guide** and this **Booklet** and in accordance with the product features and options selected in your account application, and
- > (new cash hub) if we establish a new cash hub for **Panorama** that is a deposit product issued by the

Bank, you instruct us to withdraw the balance in **your BT Cash Hub** and invest it in the new cash hub at the time we determine. You agree not to vary or withdraw this instruction.

- > You agree not to vary these instructions.

6. When we may sell or cancel your investments without seeking further instructions

- > You authorise and instruct us to sell or cancel investments in **your account** without asking you in the situations and to the extent indicated in the table below. You agree not to vary this instruction:

(on and from 1 May 2016, if you are invested in listed securities, managed funds or BT Managed Portfolios) You have, or would have, insufficient cleared funds in your BT Cash Hub to maintain the minimum balance after processing, or in order to process any instruction for payment:</p> <ul style="list-style-type: none"> - of any fees, costs and other money you owe us (including under an indemnity) - of any taxes or duties - to any person you have directed us to make payment to (such as scheduled payments using BPAY®, direct credit or direct debits), <p>and maintain the required minimum balance.</p>	To the extent necessary to fund all required payments (or estimate of such payments) or maintain the minimum balance .

Terms and Conditions

In selling or cancelling investments, we may do anything that you or your receiver would be able to do.

With effect from 1 May 2016, **your instructions** are to sell your investments in accordance with the automated drawdown strategy to implement the asset drawdown in **drawdown situation** 1. The two automated drawdown strategies available through **Panorama** are described in the table below. You instruct us to apply the 'highest value asset' drawdown strategy automatically to your account unless and until you nominate, through your adviser, to apply the 'pro rata' drawdown strategy to **your account**.

Where possible, application of each drawdown strategy will involve a forecast of cash shortfalls based on scheduled payments of which we are aware of and the sale of assets prior to the forecasted shortfall date. In some circumstances drawdowns may not be processed prior to a payment date due to factors including (but not limited to):

- additional or unscheduled payments made from **your account** that we are not aware of, or
- cash proceeds from asset sales not settling in time,

in which case insufficient cash will prevent any scheduled payments being made.

In circumstances where application of a drawdown strategy would involve the sale of a suspended managed fund or managed portfolio option, the drawdown strategy will not apply to that suspended asset and you instruct us to sell or cancel the next asset, according to the order of the applicable drawdown strategy.

Drawdown strategy Order and manner of drawdown

'highest value asset'	We will sell your investments in the following order: <ul style="list-style-type: none">> First, managed fund investments (other than BT Managed Portfolios), in order of decreasing value, starting with the managed fund investment with the highest portfolio value;> Second, BT Managed Portfolios, in order of decreasing portfolio value, starting with the managed portfolio option with the highest value;> Third, listed securities, in order of decreasing value, starting with the highest value.
-----------------------	---

'pro rata'	We will sell your investments in the following order: <ul style="list-style-type: none">> First, managed fund investments (other than BT Managed Portfolios), in the proportion that each managed fund investment bears to the total value of all managed funds in your account;> Second, BT Managed Portfolios, in the proportion that each managed portfolio bears to the total value of all managed portfolios held for you;> Third, listed securities, in the proportion that each listed security bears to the total value of all listed securities in your account.
------------	---

Term deposits will not be cancelled where one of the automated drawdown strategies applies in the circumstances of **drawdown situation** 1. However, you instruct us to cancel term deposits in the circumstances of **drawdown situations** 2 to 5. In drawdown situations 3 to 5, if any managed funds, **BT Managed Portfolios** or listed securities are held, you instruct us to sell these down in the same manner as the 'highest value asset' drawdown strategy described in the table above, with any term deposits to be cancelled last. In any **drawdown situation** where term deposits will be cancelled, they will be cancelled in the following order: first, the lowest balance term deposit, followed by the next highest value term deposit and continuing until the highest value term deposit. We may exercise these rights in respect of term deposits even if the cancellation of the term deposit may result in a reduction in the value of the investment or the return generated for the depositor, and we will not be liable to you for any such reduction. If we cancel a term deposit investment in accordance with this clause, we will cancel the whole investment, and any amount remaining after we have applied the proceeds as described in the table above will be invested in **your BT Cash Hub**. You agree not to vary any of **your instructions** in this clause 6.

7. What we are and are not responsible for

We are responsible for acting on **your instructions** in accordance with these Terms and Conditions.

We will:

- > perform our obligations under **your contract with us** honestly and with reasonable care and diligence
- > maintain adequate arrangements to enable us to perform our obligations under **your contract with us** in any contingency for which we determine it is reasonable for us to plan.

 - > ensure that all money received by us or our agent from investors or in which investors have an interest is paid into an account in **BT Cash** or an account with the **Bank** designated as a trust account, and
 - > give to you on request a copy of all communications that are required by law to be given to the holder of an investment accessible through **Panorama** (including communications that are required to be given on request) where that accessible investment is required to be held by us on trust for you. You may make a request in relation to a particular future communication or a standing request in relation to a class of future communications. We will give a copy of the communication as soon as practicable after the information is received or otherwise becomes available to be provided to you
 - > ensure that we maintain records in relation to **your account** specifying:
 - the investments held in **your account**
 - how, by whom and when those transactions were authorised, and
 - how such records are held and how they will be made available to you.
- However, we are not responsible for:
- > anything that is not our fault or within our reasonable control

8. Regular investment plan

If you elect to use the **regular investment plan**, you acknowledge that:

- > you have an existing investment in **your account** of each managed fund or managed portfolio to which your **regular investment plan** relates
- > upon notification of any change to disclosure documents by **your adviser** or by us, you will promptly access the **Panorama website** or contact **your adviser** to obtain a copy of that revised document
- > the purchase of managed funds or managed portfolios will continue to be made under the arrangement until you instruct us otherwise or **your contract with us** is terminated, and
- > the purchase of managed funds or managed portfolios may occur without you having been given the current disclosure document or supplemental disclosure document for those managed funds or managed portfolios (the missing documents).

We agree to give you the missing documents as soon as reasonably practicable, and in any event by the later of the fifth business day after the issue of the document or immediately before you next invest through your **regular investment plan**, and we do so by giving, or if permitted providing access to, the documents to **your adviser**, who receives those documents on your behalf. **Your adviser** has agreed with us that they will provide the missing documents to you within that timeframe.

9. Your BT Cash Hub

You must ensure you have adequate cleared funds in **your BT Cash Hub** at all times to fund all transactions on **your account** while maintaining the **minimum balance**.

After you first make investments in listed securities, managed funds or managed portfolios, the automated drawdown strategy will generate sales of assets to attempt to raise sufficient cash to fund fees, regular withdrawals or to maintain the **minimum balance** in your **BT Cash Hub**.

If you are only invested in **BT Cash** and/or term deposits and if, on processing a transaction, the balance of **your BT Cash Hub** may fall below the **minimum balance**, we may, in our sole discretion:

- > not undertake the transaction
- > settle the transaction if it is a scheduled or regular investment or fee transaction
- > settle the transaction and close **your BT Cash Hub**
- > lend you sufficient cash to settle the transaction while maintaining the **minimum balance** in **your BT Cash Hub** (in which case you request us to make such a loan and agree to repay that loan, and any applicable fee or interest charge for such loan, on demand or in any event within 24 hours. At this time no fee or interest charge applies to such loans. You will be notified should any fee or interest charge be introduced in the future), or
- > initiate a sale of your term deposit as set out in **drawdown situation 2** in Clause 6.

Distributions from investments held through **your account** will be paid into **your BT Cash Hub** when we receive them.

Whenever you make a payment request online and use BPAY or direct credit using the Bank's payment services, you will instruct us to withdraw the amount from **your BT Cash Hub** and **your account**, and will direct the **Bank** to pay it in accordance with **your instructions**.

You may make payments by direct debit by giving a direct debit authority to a third party who will request payment from the **Bank**. Whenever the **Bank** receives a

payment request, you are deemed to have given a payment request to us at the same time to withdraw the amount from **your BT Cash Hub** and you will direct the **Bank** to pay the amount in accordance with the direct debit request.

Unless BTFM rejects the withdrawal request, we will pay the amount by making funds available to the **Bank** in order to enable the **Bank** to pay the amount in accordance with **your instructions**. If BTFM rejects a withdrawal request from **your BT Cash Hub**, the payment under the **Bank's** payment service will not be made, or in the case of direct debit, will be reversed. BTFM may reject the withdrawal request, for example, if your account balance in **your BT Cash Hub** is insufficient. You should ensure that your account balance is always sufficient to meet any direct debit payments you arrange to be made from **your BT Cash Hub**.
